# Who We Are

L&M Group (Life & Medicine) is a Bangladesh-based fast growing organization with deep expertise in pharmaceutical exports, API sourcing, finished formulations, global supply chain, and manufacturing exports.

Operational since 2015, we have built a legacy of strategic partnerships, regulatory understanding, and global execution excellence. Headquartered in Dhaka, Bangladesh, we operate across multiple strategic business units delivering tailored solutions that connect leading global manufacturers with regulated and semi-regulated markets worldwide – including UK, EU, USA, Australia, MENA, ASEAN, and LATAM.

## Global Presence

Connecting manufacturers with regulated markets across 7+ regions worldwide

### Global Reach

UK, EU, USA, Australia, MENA, ASEAN, LATAM

### Quality Standards

WHO-GMP, ISO, FDA-aligned

### Partnerships

Long-term value creation

### Compliance

Regulatory excellence

## Our Vision

To be the global bridge between compliant manufacturing excellence and international healthcare access, with a focus on long-term value, quality, and integrity.

## Our Mission

To deliver comprehensive, compliant, and customized solutions in pharmaceutical sourcing, CDMO facilitation, and finished exports that empower partners in global markets.

# Strategic Business Units

Six specialized divisions working in synergy to deliver comprehensive solutions across pharmaceuticals, manufacturing, and technology.
